Volunteer & Internship Opportunities

We have something for everyone in locations across the State...

★ **Clerical Volunteer**

Offer administrative support for a variety of Agency divisions to include word processing, filing, receptionist duties, and others.

★ **Compliance Officer Volunteer**

Provide administrative assistance to VOSH Program Compliance Officers to help expedite case file processing, production management, and inspection preparation through data entry, research, scheduling, word processing, presentation development, and participation in field inspections through photography and information gathering. Volunteers for this position must be at least 18 years of age or older.

★ **Human Resources Volunteer**

Assist HR team members with all functions of the day-to-day operations within the Division to include benefits administration, recruitment, compensation and classification, clerical duties, volunteer administration, special event preparation, and training.

★ **IT Volunteer**

Help IT team members with all functions of the day-to-day operations with the Division to include technology inventories, completion of VITA assignments, and special projects.

★ **Labor & Employment Law Volunteer**

Participate in the preparation, implementation, and support of the child labor and other wage and employment law programs as needed.

★ **Legal Support Services Volunteer**

Provide support services to the Division through conducting research, drafting documents, and implementing special projects in support of the Office of Occupational Safety and Health Compliance.

★ **Regulatory & Policy Volunteer**

Offer technical support for inherently governmental functions, such as records management, research issues relevant to Agency mandates, and assist with various other tasks as needed.

★ **Special Events Volunteer**

Welcome and orient guests, assist staff in presenting lectures, help in preparation and clean up of activities.

★ **VOSH (Virginia Occupational Safety & Health) Special Assistant**

Acquire hands-on experience working directly with the Assistant Commissioner of Programs and other executive management in a move to restructure the VOSH Apprenticeship Program. Opportunities include the development and implementation of a digital, state-wide recordkeeping system; input into the restructuring of the Division for more efficient and effective business operations; and creation of a comprehensive matrix to aid in keeping up-to-date with federal policy and program changes.

★ **VPP (Voluntary Protection Program) Volunteer**

Help DOLI staff review documents that describe or verify the designated worksite's safety and health management system, tour the worksite to ensure the system's operational effectiveness, and interview employees and contractors. Volunteers for this position must be at least 18 years of age.
